Located in the heart of Los Feliz Village, the Los Feliz MedSpa is at the corner of Hillhurst and Ambrose Avenue, 2 blocks south of Los Feliz Blvd. and directly across the street from The Palace Chinese restaurant.

There is ample street parking around our MedSpa. The parking on Hillhurst Avenue is 1 hour metered parking and there are a few 2 hour metered spots on Ambrose Avenue, the cross street. On the north side of Ambrose, the majority of spots are unmetered and unrestricted with the exception of Wednesday morning street cleaning. All meters now take credit and debit cards in addition to change.

Please note that while we try to ensure our clients do not receive parking tickets, parking enforcement is quite vigilant in our neighborhood so we advise you park in a space that allows ample time for your treatment. We do not advise parking in the Albertsons parking lot and cannot be responsible for your car should you choose to do so. We thank you for your understanding and cooperation and look forward to seeing you soon!

Thank you for choosing the Los Feliz MedSpa!
